Mi98-23

DATE :	September 1998	SECTION :	03
SUBJECT :	ELECTRICAL FUEL PRIMING PUMP INSTALLATION OR REPLACEMENT		

APPLICATION

Model	VIN	
All H3 Series Vehicles Model Year : 1995 - 1998	From 2P9H33418S <u>1001196</u> up to 2PCH33497W <u>1012146</u> incl.	
XL-45 Coaches Model Year : 1995 - 1998	From 2P9L33496S <u>1001570</u> up to 2PCL33496W <u>1026498</u> incl.	

DESCRIPTION :

On the above-mentioned vehicles, the electrical fuel priming pump installation or replacement is possible. This pump is used for restarting a diesel engine that run out of fuel. If your vehicle is already equipped with the pump you may wish to relocate the starting switch besides the rear junction box for easier access. If your vehicle is not equipped with the pump you may order it at your own expense, in order to do so you need to order one of the following kits :

All vehicles (pump replacement) : kit # 032268

H3 Series Vehicles (electrical fuel priming pump installation) : kit # 032268 and kit # 064824

XL Series Vehicles (electrical fuel priming pump installation) : kit # 032268 and kit # 064825

H3 Series Vehicles equipped with PRO-380 fuel filter only (pump installation) : kit # 032257

XL-45 Coaches equipped with PRO-380 fuel filter only (pump installation) : kit # 032258

Note : Material can be obtained through regular channels.
