

# M SERIES **M80 Recommended Spare Parts**

*This is a guideline only. The number of individual parts stocked is to be determined according to heater population and type of heaters.*

Part #	Description	Qty
200400K*	Burner Head Assembly, M80, 24Volt	1
200302K	Overheat/Temperature Sensor c/w o-ring	2
917724K	O-ring, Overheat/Temperature Adapter	2
905821K	O-ring, Temperature Sensor	2
200920K	PCM, M-Series, M-80, 24Volt	1
200610K	Air Filter, M-Series	2
880035K	Fuel Filter	2
014925K	O-ring, Fuel Filter	2
200404K	Motor, M-Series c/w Fasteners	1
200405K	Blower, M-Series c/w Fasteners	1
200436K	Gear, Set M-Series c/w Retaining Rings	1
920175K	Retaining Ring, Blower and Gear (3/pkg.)	2
200448K	Retaining Ring, Gear (3/pkg.)	1
200666K	Compressor, M-Series c/w Hardware & O-Ring	1
200751K	Ignition Module c/w Fasteners & Electrode	2
200801K	Ignition Electrode	2
200700K	Fuel Delivery Block, M-Series c/w Relief Valve, Fittings, & Fasteners	1
200701K	Fuel Pump Service Kit	1
200702K	Solenoid, Fuel Shut Off c/w O-Ring	1
014427K	O-ring, Fuel Shut Off	2
200703K	Fuel Regulator, M-Series c/w O-rings & fasteners	1
550324K	O-rings, Fuel Regulator, M-Series (3/pkg.)	2
854421K	Nozzle, Fuel, M-80 (30609-9) c/w O-Ring	2
221442K	O-Ring, Nozzle, Fuel	2

\* It is recommended that properties having a number of heaters stock a Burner Head. This will enable the maintenance department to perform service work to the heater with very little down time to the vehicle.

\* "K" denotes kit packaging.
