DATE : August 1998	SECTION : 06
SUBJECT : NIGHT LIGHT INSTALLATION IN LAVATORY	

APPLICATION

Model	VIN
H3-41 and H3-45 Coaches Model Year : 1997 - 1998	 From 2PCH3349XV1011779 up to 2PCH33496W1012283 incl. <u>EXCEPT</u> 2PCH33494W1012234

DESCRIPTION :

On the above-mentioned vehicles, the installation of a night light inside the lavatory fluorescent lighting eliminates reflection onto the driver's mirror. The light turns on with engine ignition while the fluorescent lighting will only turn on when the lavatory door is locked. If you wish to carry out this modification, you need to order kit # 064810

Note : Material can be obtained through regular channels.
