H3-45 VIP motorhomes Model Year : 2025 -	From 2P9VS3498 <u>S</u> C110 <u>001</u> up to

DESCRIPTION

Prevost introduce new vehicle identification number (VIN) with a chassis ID number. This bulletin is to explain how to use the new chassis ID versus vehicle identification number (VIN) number with the application IMPACT.

HOW LOCATE THE NEW CHASSIS IDENTIFICATION NUMBER ON THE VIN PLATE

The vehicle identification number (VIN) number is engraved on a plate attached to the left front pillar, near the windshield (driver's side). It is visible from the outside.

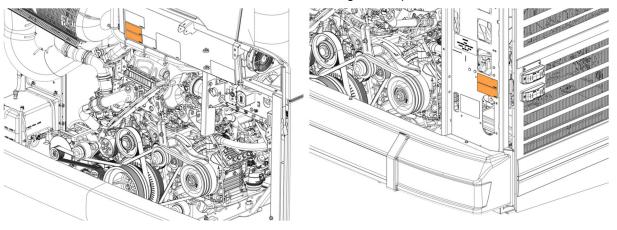

On the VIN plate for vehicles with the VIN start with **2P9** from year **2024** for buses and from year **2025** for motorhomes. You will find the new <u>chassis identification number</u> on the plate.

HOW LOCATE THE CHASSIS ID NUMBER ON THE VEHICLE EMISSION CONTROL DECAL

The vehicle emission control decal is located inside the engine compartment.

On the vehicle emission control decal for vehicles with the VIN start with **2P9** from year **2024** for buses and from year **2025** for motorhomes. You will find the new <u>chassis identification number</u> on the plate.

HOW TO USE IMPACT APPLICATION WITH OLD VIN AND NEW VIN WITH CHASSIS IDENTIFICATION NUMBER

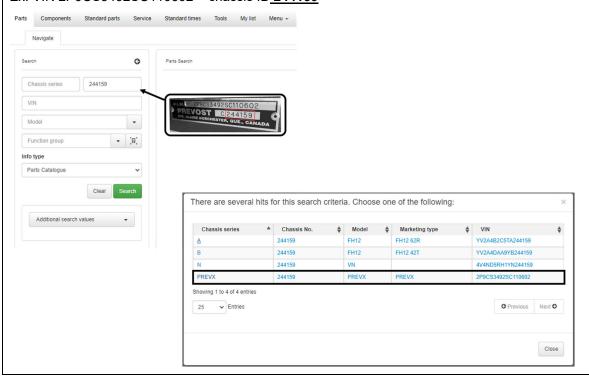

With the old VIN you need to use the last 6 digits of VIN.

Ex: 2PCCS3491SC734126:

With the New VIN you need to use the 6 digits chassis identification number.

Ex: VIN 2P9CS3492SC110602 = chassis ID 244159
