The screenshot displays the 'TECHNICAL PUBLICATIONS' section of the Prevest website. The page is divided into a search sidebar on the left and a main results area on the right. The search sidebar includes filters for 'Vehicle Type' (with radio buttons for X3-45 BUS, XLII BUS, XLII MTH, XL BUS, XL MTH, H3 BUS, and H3 VIP), 'Year' (with a text input field and a range of 1989 to 9999), 'Type of Manual' (with radio buttons for Maintenance, Operator, and Owner), and 'Manual Section' (with a dropdown menu set to 'Choose...'). Below these filters are 'Search' and 'Reset' buttons. At the bottom of the sidebar, the 'MANUFACTURER'S PUBLICATIONS' section has a 'Manufacturer's Name' dropdown menu set to 'Audio & Video'. The main results area is titled 'TECHNICAL MANUALS' and shows a 'Results' section under 'Audio & Video (miscellaneous)'. The results list includes: '-VR-300 Radio Operating Instructions', '-VD-404 Mobile DVD Player Operating Instructions', '-Delphi Premium CD MP3 Satellite Receiver', '-REI back up camera system', '-Radio Operating Instructions (Feb. 2009)', '-Quick Reference Guide Sound System rev.4', '-Quick Reference Guide Sound System rev.4(french)', '-V9700\_Audiovisual Controller CCU02\_engl', and '-V9700\_DVD player CVX02 engl'. The last two items are circled in black. The Prevest logo is visible in the top right corner of the page.
