PARTS MANUAL

General information

A. Vehicle Identification Number (V.I.N.)

Each time spare parts have to be ordered, you must refer to your vehicle identification number serial number. In order to understand the meaning of this number, please refer to the following:

2 P C X 3 3 4 9 5 Y 1 0 2 6951

X = VEHICLE MODEL
9 = VEHICLE LENGHT
Y= MODEL YEAR
6951= SEQUENCE NUMBER

Vehicle Model
This manual covers vehicle model XL coaches and MTH bus shells.

X	XL-II coaches
W	MTH bus shell
Y	MTH bus shell Entertainer

Vehicle Length

0	40 feet	**9**	45 feet

Model Year

YEAR	CODE	YEAR	CODE	YEAR	CODE	YEAR	CODE
1999	X	2002	2	2005	5	2008	8
2000	Y	2003	3	2006	6	2009	9
2001	1	2004	4	2007	7	2010	A

Sequence Number
This number represents the sequence the vehicle has followed on the assembly line. Since 1996 model year, the sequence number is represented by the last four digits

B. Effectivity

This manual covers information for vehicles from the Y-7046 to present.

The heading of each page in this manual refers to an effectivity serial number and in the parts description, you may find additional information on the effectivity of a specific part to a serial number (refer to FROM:).

In the description, you may also remark the expression UP TO which means that a component is effective to the vehicles manufactured up to the specified serial number (refer to UP TO:).

Le Mirage XL II

PARTS MANUAL

C. Illustrations

An exploded view is conveniently located at the beginning of each section and is meant to assist the user in identifying parts and components.
The illustrations show the typical construction of the different assemblies and , in all cases, may not reproduced the full detail or exact shape of parts shown, however, they represent parts which have same or similar function.

D. General

The information, illustrations and components/system descriptions contained in this manual are correct at time of publication. Prévost Car Inc., however, maintains a policy of continuous improvement of its product without imposing upon itself any obligation to install them on products previously manufactured.

Prévost Car Inc., reserves the right at any time to discontinue or change specifications, designs, features, models or equipment without incurring obligation.
